

Actual Earnings of Active Independent IGI Members

(Updated 11.21.05)

An Active Member is defined as a member who has purchased a minimum of \$600 worth of art and has at least one front line referral. These are reports of individual success and as such should not be taken as evidence of the success you or others may experience. Financial success in IGI is the result of many factors including commitment, determination and skill.

From July, 2003 to present
